ORDER:

1. With a view to supplement the core human resources of the government and to meet the short-term requirements, the Government has periodically permitted the departments to obtain services essential for the day-to-day management of the governance on contract/ outsourcing basis for a limited duration with the prior approval of Finance Department.

2. In the references seventh and eighth read above, the Government ordered for the continuation of contractual and outsourced services that were subsisting on June 02, 2014, initially up to December 31, 2014 and subsequently up to June 30, 2015.

3. After a review of the prevailing manpower requirements, especially in the light of the fact that final allocation of state cadre employees has not been completed by the Competent Authority, the Government has decided to permit all government departments to extend the contractual / outsourced services subsisting on June 30, 2015, for another three months, i.e., from July 01 to September 30, 2015.

4. Accordingly, the Government hereby permits all departments to renew the contractual and outsourced services subsisting on June 30, 2015, until September 30, 2015 or an earlier period, as deemed appropriate, based on the imperative need for such services by the department. The terms and conditions of the contract shall remain unchanged for both contractual and outsourced services.

(PTO)

5. These orders are strictly limited to those services, including those personnel that were taken up by the departments with the prior concurrence of the Finance Department. The Heads of Departments – Secretariat and the Departmental Heads – and the District Collectors are hereby authorized to extend the contractual / outsourced services that were subsisting on June 30, 2015, until September 30, 2015, at the State and the District respectively, provided competent authority has undertaken a review of the need for such services and has enough empirical rationale for extending the services by another three months. The conditions stipulated in the references seventh to ninth read above shall continue to dictate the services during the extended period of contractual services.

6. All Secretaries. Head of departments and District Collectors are hereby informed that no services shall be contracted or outsourced without the prior concurrence of the Finance Department and the approval of the Government. Further, they are required to furnish the details of all personnel providing contractual and outsourced services to the Finance Department latest by August 10, 2015, in order to enable the Government to take a comprehensive view of its manpower requirements.
